

# How can you help?

## We're glad you asked!

1. Make a generous financial donation. Write a check or donate via our website.
2. Shop from the comfort of your home off our Amazon wish list for Christmas donations and have them mailed directly to Christmas Magic!  
<http://amzn.to/2dVMYn5>
3. Shop from kids' Santa letters (we supply Santa list and you do the shopping). Consider adopting a family or a shelter.
4. Host a toy drive at your business, with a team or organization (or use your imagination!) We can provide boxes & signs, and pick up when the box fills. This is a great family activity.
5. Donate bulk toys, sporting goods or electronic products through your business or connections.
6. Ask your Thanksgiving dinner and/or holiday party guests to bring a new toy to donate.
7. Share your contacts - business, neighbors, friends, colleagues. We are ALWAYS looking for folks to help us with their expertise in product donations, expertise on fundraising with individuals, corporations and grant-makers, or on building audiences on social media platforms.
8. Make in-kind service and product donations: DJ services and small party giveaways, balloon displays/arches, water/soft drinks/snacks, holiday wrapping paper and black & clear contractor bags.
9. Donate extra gift cards (even if balance is just a few dollars) or store reward certificates like Kohl's cash, Old Navy bucks, Toys R Us bonus gift cards, etc.
